2) Land of Community Value – **DE** has received confirmation from LCC that the application for the land between the end of the terraced houses and Oldroyds farm has been registered as Land of community value.

3) Finance – **DL** is to investigate further funding as it would appear that the funding for 2015 has now closed. **PE** and **DL** will consult on the funding available.

SC is to hold a meeting with Spawforths who helped prepare the Walton Neighbourhood plan.

This is in the hope of gaining some guidance plan preparation and the costs involved.

As a group we need to appoint somebody who will regularly maintain our web and Facebook page and set up a Twitter account. This may be something that can be addressed at the meeting when we ask for volunteers.
