

## Carlton Village Neighbourhood Forum (CVNF)

### Meeting Minutes

December 12, 2016

**Present:** Darren Etherington (DE), Jacqueline Rooney (JR), Darren Lord (DL),  
Steve Carmody (SC)

**Apologies:** Stewart Golton (SG), Kevin Kuszyk (KK), Peter Ellis (PE)

---

**1) Finance – DL** advised that Rothwell Juniors have shown willing to help us with the grant. They are happy to act as the limited company on behalf of the CVNF. **DL** will progress this and hopes to conclude by the next meeting.

The above has been communicated to **KK**. It was requested that **KK** continue with the research into becoming a charity so that we would not have to trouble Rothwell Juniors in the future.

**2) Response to web questionnaire –SC** to analyse and provide a report if possible.  
**DL** has volunteered to attend the Children's Xmas Party on 16/12/2016 at Carlton Social Club with his iPad to complete more questionnaires.

**3) Plan Update – DE** has e-mailed a draft of the updated Walton Plan for comment and assistance to all Forum members. There has been no response from other members on this.

**PE** will contact a consultant for guidance and costs for professional plan writing and Neighbourhood Design Statements – still pending

**SC** to contact ACON to see what technical help with plan writing is available.

**SC-** expressed concerns over the NGT as it appears that there is little or no benefit to the local area. There were concerns raised that the Park & Ride would actually add traffic to the local area with other parts of the city seeing the benefit but at the detriment of the local rea. **SC** to contact local councilors for comments.

**4) AOB – Richard Sammels** contacted the CVNF to ask if we would consider supporting an Asset of Community Value (ACV) for the Rosebud Inn. Richard stated that several of the Rosebud regulars had discussed this and expressed views that in the past when the Rosebud had been closed for a period of months, that people did not migrate to other venues, they just stopped going out and the spirit of the community suffered. The CVNF is happy to support this application and **DE** will submit the application from the locals as Secretary of the CVNF. The CVNF is happy to consider any request from ACV's, these will each be treated on their own merits.

**SC & JK** are still to hold a meeting with the head of Carlton Primary

**Next Meeting – Monday 23<sup>rd</sup> January at 8.15pm in The Rosebud**
